

We are reaching out to you at this time as the Covid 19 virus is impacting our community more and more every day.

At Double B Automotive, we believe it is our role and responsibility at this time to prioritize the health and well being of our customers and employees by supporting local health officials and government leaders to contain Covid 19.

As a customer of Double B Automotive, we would like you to know that we are still maintaining regular operations but we are prepared to modify operations with options that still allow us to serve and service you and your vehicle: we are able to communicate through phone, text and email, we offer afterhours drop off service where you keys can be deposited securely and arrangements for payment and afterhours pick up are available.

We are here to serve you and are willing to work with you to accommodate your needs and preferences.

We have a long-standing history of caring for our customers recognizing that they are the heartbeat of Double B Automotive and this community.

Thank you for being a loyal customer. We are privileged to serve you and our community and look forward to seeing you soon.
